Average seconds/query: 6.011761666666666 seconds

Did something go wrong? Is a platform reporting false positives? Do you need to
integrate a new one and you don't know how to start? Then, you can always place
an issue in the Github project:
        https://github.com/i3visio/osrframework/issues
Note that otherwise, we won't know about it!
